

BAKER CITY ROTARY CLUB

The annual Rotary Scholarship is established to assist two (2) Baker High School graduating seniors in attending an institution of higher learning of their choice. The scholarships will be paid to the institution of higher learning of each student's selection according to the following provisions.

Criteria for Baker City Rotary Club Scholarship:

1. Grade point average must be at least a "C" average. (2.00 GPA)
2. Student must be of mature judgment.
3. Student must have demonstrated leadership ability and service to others.
4. Student must be a person with diversified interests, such as:
Student government, school activities, committee work, organization involvement, work experience and athletics.
5. Student must be personable and of high moral character and standing.
6. Student must show continuity between personal preparation and life's goals.

The selection procedures are as follows:

1. The individual scholarship committee members will identify the top five applicants.
2. The scholarship committee will meet and discuss the top applicants as identified by the individual committee members.
3. The scholarship committee will vote on the top five applicants as identified by the committee.
4. Voting will be by a numerical basis – 1 being the highest and 5 being the lowest. The two applicants receiving the lowest totals will be awarded the Baker City Rotary Scholarships in the amount of \$750.00 each.

The following information should be returned to the Baker High School Guidance Office no later than: 4:00 p.m. on April 15th.
